

Surgery Pods: Privacy Notice

Microtech Group Ltd are a third party who provide the Surgery Pods within this Practice. These Surgery Pods can be used by patients to record healthcare data.

Patient data is stored both by the Practice in our clinical system and by Microtech Group Ltd in their systems for up to 6 months.

Data is held within the United Kingdom and secured appropriately. Data is not shared with third parties.

By using the Surgery Pod, you acknowledge and accept this Privacy Notice.
